

Golf Rules of Play

The following guidelines have been established for Great Parks of Hamilton County golf courses to help ensure a positive and enjoyable golf experience.

Etiquette, Speed of Play

- Play "ready golf." Be prepared for each shot and keep up with the group directly ahead of you. On average, a foursome should play each hole in 15 minutes or less.
- Replace divots, repair ball marks and rake sand bunkers.
- 18-hole players should be efficient while making the turn. An undue delay may result in a loss of access to the next tee.

Rules of Play

- Each golfer must have a receipt from the golf shop.
- Each golfer must have his/her bag and clubs.
- Fivesomes or more are not permitted on the golf course at any time unless approved by the golf professional.
- Holes must be played in sequence. Players should not hit until the players ahead are out of range.
- The golf staff will group players into foursomes whenever possible.
- Playing more than one golf ball per golfer is not permitted on the golf course.
- The golfer is responsible for any damage or bodily harm caused by the ball or club.
- Great Parks of Hamilton County is not responsible for injuries on the golf course. Play is at your own risk.
- Spectators are required to sign a Non-Player Agreement and are responsible for the applicable non-player fee (\$7.75 per nine holes.) Certain exceptions apply: Parent/guardian/adult who accompanies a playing child (17 and younger) as a chaperone; Parent/guardian/adult observing a scheduled school match or tournament as a walker. Riding carts, if available, are allowed for these events at the discretion of the Golf Professional or the administrator of the event. Carts, if available, will be allowed for those who qualify under the ADA. The applicable non-player fee will apply, per rider, for those taking a cart. If the non-player is under the age of 18, an adult must sign the agreement. Non-players are subject to all course rules and policies.
- Golfers who qualify under ADA are allowed use of the SoloRider golf cart or receive a handicap flag/placard for use with a regular golf cart. Certain restrictions apply.

Tee Reservations

- Tee time reservations may be made 10 days in advance. Golfers who are part of the GHIN handicap service receive coupons allowing them to make tee time reservations in person 14 days in advance.
- Reservations are limited to three tee time reservations per caller during certain times. Groups needing more times than this should contact the golf professional.
- Tee times are not required, but are highly recommended during busy times. The golf staff will often pair players into foursomes.
- On weekends and holidays before 11 a.m., only 18-hole reservations will be accepted (in season.)
- Golfers with starting times must be paid, ready to play and report to the tee at least 10 minutes prior to the tee reservation.

Open Play

- For any periods when starting times are not in effect, players will tee off on a first-come, in-person basis.
- When a wait exists, one person may hold a spot for a maximum of one foursome. If other groups are ready, order of play may be adjusted as needed.

- Great Parks of Hamilton County offers senior rates on weekdays (except holidays.) The rates do not apply to contractual leagues, outings and tournaments. During winter rates, the senior rate is in effect every day.
